

MEMORANDUM FOR: Bob

Enclosed is the draft I pulled together for you to use Tuesday night with the "Y" Group. You will recognize a lot of the language. I used parts of your terrorism speech, your letter to the Washington Post and the unclassified testimony on Soviet strategic forces developments together with a little original drafting. I hope its something you can work with. I will be in Saturday morning if you want me to work further on it.

Date 2 May 86
